Saydo Bowls Club 2026 Ultimate Bowls Competition

The Finalists: Rob, Morrow and Ron

So we have now had the results in for Saydo's Ultimate Bowls Competition. Altogether there were fourteen teams taking part of which two were representing Lauro. After four days of excellent competitive bowling both of ours managed to make it to Finals Day.

Andy, Jill and Nigel finished in 4th place which was a creditable performance having played against some very strong teams.

Our other team, made up of Rob, Morrow and Ron, were in 1st place until the final bowl of the last match having led from start to finish. In the final end, the opposition skip played two extraordinarily accurate bowls to remove shot bowl, which denied our guys the cup.

It was a worthy end to a fiercely contested match, but hard to take of course having come within a single bowl of a memorable win. Many congratulations to both our teams.
