1. Apologies for absence - None

2. Treasurer's report

Mark Seviour donated €500 towards the Ultimate Bowls competition. As not all of the money was used, the remaining balance will be allocated to other club competitions.

It was reported that a number of subscriptions/fees are still outstanding. It was agreed that an e-mail to be sent out reminding members that subscriptions should be paid by the 30th June. Our external accountant, Anna, confirmed that auditing the accounts twice a year, in July and December, is acceptable.

3. Updating Competition Winners Board

As the club does not have a complete record of winners for the boards, a draft list will be prepared and circulated to members for confirmation.

NEW BUSINESS

4. Club competitions

The new Competition Secretary proposed displaying the year's internal club competitions on a noticeboard so members can see the dates in advance. The committee agreed this was a good idea

5. Bar Tabs

The bar manager noted that the whiteboard is increasingly being used to record drink tabs instead of stock items. He will now record all tabs in a book and inform all members on bar duty.

6. Suggestion Book
